Dear Mr. Weisberg -

On my way to the post office to mail my note + check to you, I stopped to pick up the N.Y. Times + also noticed the new Village Voice from which the enclosed are clipped. You have probably seen them yourself before or by the time you receive this, but just in case you haven't, I'm sending them to you.

Also in today's N.Y. Times, the back page (p. 42) is a full page ad for a book APPOINTMENT IN DALLAS: The Final Solution to the Assassination of J.F.K. a "Zebra II" book 1.95 at bookstores now. It is a startlingly interesting ad. The book is by Hugh McDonald. I imagine the ad will appear in the Wash. Post + other places - but if it doesn't, let me know + I'll send you this one. Sincerely (+ loyally!)
